Dominican Republic
Has it all

WELCOME TO PUNTA CANA

Photo of the cover page: Juanillo Beach

The sophisticated East Coast of Dominican Republic attracts vacationers from around the world who come to explore and savor the natural treasures and luxuries of Punta Cana. Nestled across 100 miles (160 kilometers) of the world's best beaches lapped by turquoise waters and dotted with swaying palm trees, Punta Cana is Dominican Republic's most lavish and popular destination.

Your inspiration begins at touchdown, where the picture-perfect coastline beckons with a seemingly endless strip of frost-white sand shelving into reef-protected lagoons of irresistible peacock blues and greens. These silvery sands stretch virtually unbroken for 40 miles (64 kilometers) and are the reason for Dominican Republic's astonishing assemblage of all-inclusive hotels and convention centers.

Punta Cana's beaches and resorts may be its biggest draw, but its world-renowned golf courses and entertainment, like swimming with dolphins, explore caves, refresh in natural springs and zip lining through the exotic vegetation, promise to capture your imagination and refresh your soul.

To the north of Punta Cana is the equally luxe resort area of Bávaro. Together, Bávaro and Punta Cana feature Dominican Republic's largest hotel and resort infrastructure. Year after year, this region, where the Atlantic meets the Caribbean Sea, has been the venue for international fishing competitions and has also become the number one golf destination in the Caribbean, among the top in the world.

The following guide to Punta Cana includes descriptions of the amazing attractions, golf courses, beaches and more that await you.
